EVENT: 3

CLEANLINESS DAIVE WEEK TO CARRY OUT CLEANLINESS DRIVE NEAR LOCAL WATER BODIES ON 09/12/2020

(PONDS, RIVELITIES) BY REMOVAL OF NON-BIODEGRADABLE POLLUTANTS LIKE PLASTIC

The **importance of cleanliness** in our lives cannot be denied. Maintaining a clean environment is for the health of all humans, as their health completely depends on the atmosphere. A bad environment is solely responsible for spoiling the health of the people around. Dirt and disease go together.

Tips to have a clean society

1. Use dustbins. ...
2. Ask your child or other children to **keep the society clean.** ...
3. Stopping the use of polythene bags. ...
4. Plant a sapling. ...
5. Go eco-friendly Try to use eco -friendly products as much as possible. ...
6. Save water.

CONTRIBUTION OF NCC CADETS IN MAINTAINANCE OF CLEAN SOCIETY

- On this day all cadets we have solely participated and took a step to keep the society clean.
- Spreading awareness of cleanliness and hygiene in society.
- Plantation of trees and saving water.
- Implanting 3R rule in environment (Reduce, Recycle & Reuse)
- Supporting Swatch Bharath mission.
- Encouraging to use biodegradable products.
- Implanting dustbins on streets
- Following municipal rules in public areas

AWARENESS & NCC AGAINST PLASTIC POLLUTION Date: 16-04-2021

WHAT IS PLASTIC POLLUTION?

Plastic pollution is the accumulation of plastic objects and particles in the Earth's environment that adversely affects wildlife, wildlife habitat, and humans. Plastics that act as pollutants are categorized into micro-, meso-, or macro debris, based on size.

CONTROLL METHODS

- I. Spread awareness about plastic pollution.
- II. Make reuse of plastic products
- III. Make use of biodegradable plastics.
- IV. Or make use of non-plastic bags I.e. (jute, leaf products or cotton cloth bag).
- V. Say no to plastic bags or make less use of it.
- VI. Throw the plastic waste into the dustbin.
- VII. Install dustbins near the public areas.
- VIII. Use sign board to keep awareness among the people. Etc.

CONTRIBUTION OF NCC CADETS

NCC has been widely supporting the less use of plastic throughout the country, our college management has taken the step in spreading the awareness against the plastic use as it is harming the nature, by cleaning the more polluted areas near our locality and spreading awareness on the social platforms.

EVENT: 14

REMEMBERANCE OF JALLIANWALABAGH MASSACRE Date: 17-04-2021

The **Jallianwala Bagh massacre**, also known as the **Amritsar massacre**, took place on 13 April 1919, when Acting Brigadier-General **Reginald Dyer** ordered troops of the **British Indian Army** to fire their rifles into a crowd of unarmed **Indian** civilians in **Jallianwala Bagh, Amritsar, Punjab**, killing at least 379 people and injuring over 1,200 other people. As this was the huge loss and mourning moment to whole India. Many of the families who were in the protest lost their lives and their loved ones. This incident stunned the whole India which lead to the anger of many of the freedom fighters and finally we fought for our rights and became an independent country.

Jallianwala Bagh remembrance and importance of the day by NCC cadet.

As this day is very important in the history of India in every part of India, they remember the great souls who were martyred in the incident and sacrificed their life to the nation. So, we NCC cadets also take a step every year by remembering them and praying for their souls and describing the importance of the day and sharing more knowledge about the day to all the cadets and sharing their individual views about the incident how it had affected the nation and also praying tribute to all the great freedom fighters who lead the independent India.

EVENT: 16

WORLD ENVIRONMENTAL DAY CELEBRATION ON 05-06-2021

World environment day is the United Nations day for encouraging worldwide awareness and action to protect our environment. This is also called as Eco day, Environment day & World environment day. The theme of World Environment Day 2021 is “Ecosystem Restoration”. It can take in various forms like growing trees, greening cities, rewilding gardens, changing diets or cleaning up rivers and coasts.
