- Dr. Krishna N

Abstract

Jagjivan Ram, endearingly called Babuji, was a freedom fighter and a crusader for social justice. Babu Jagjivan Ram played a significant role in scripting our country's political and constitutional development and social change. In this paper, I argue the important role of Babuji's in Indian politics.

His meteoric rise in public life saw him emerge as an eminent and popular political leader, who devoted his entire life working for the welfare of the country. He belonged to the vintage era of modern Indian politics. As national leader, parliamentarian, Union Minister and champion of depressed classes, he had a towering presence and played a long innings spanning half a century in Indian politics (Harish Kumar 2019).

His enduring and quintessentially twentieth century political legacy reminds us of the fervour, idealism and indomitable spirit of India's political leadership that not only fought and won freedom for the country, but also laid the firm foundation for a modern, democratic polity. Gifted with a natural aptitude for political leadership and moved by the ideals and goals of the socio-political movements that enveloped the country, Babu Jagjivan Ram played a significant role in
