3. Dr Neha Professor RIMS, Raichur

1st session :

- a. Madam discussed nutritional values of food and made aware of the importance of iron deficiency. And also discussed about causes, prevention and treatment of iron deficiency anaemia among women of reproductive age.

2nd session :

- a. After the tea break session continued and Dr. Neha madam gave information about the main cause of high prevalence of iron deficiency is nutritional inadequacy owing to low socioeconomic conditions. Women bear the main burden of iron deficiency as it is more common among premenopausal women.
- b. After the session students and teachers got the opportunity to discuss about their health worries with professional nurses, to get their red blood cells (hemoglobin concentration) tested, to get nutrition and healthy life habits advices during a personal diet.

Dr. Jayateertha N S, proposed vote of thanks.

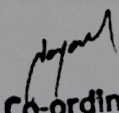

Feedback:

All the faculties expressed their gratitude to IQAC Coordinator, Dr. Jayateertha N S for organizing the workshop which was useful.

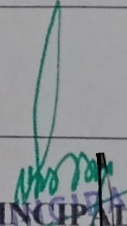

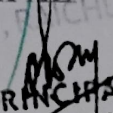

Future Perspectives: The IQAC is looking forward to organize seminars/conference/workshop with respect to multidisciplinary area.

Report Submitted by: Dr. Jayateertha N S
Designation: IQAC Coordinator, HOD & Associate Professor
Department: Laxmi Venkatesh Desai College, Raichur.
