DEPARTMENT OF ZOOLOGY

Organizes

Two days hands on training "Virology and Covid-19 Research"

From 3-3-2023 to 4-3-2023

VENUE: Zoology Lab

Title: Two days hands on training "Virology and Covid-19 Research"

Date(s): 3-3-2023 to 4-3-2-23

Preamble: Two days hands on training "Virology and Covid-19 Research"

has been organised by the Department of Zoology in collaboration with IIT Kharagpur from 3rd to 4th March 2023 Taranth Shikshana Samste, Laxmi Venkatesh Desai College, Raichur.

Participant's Profile: A total of more than 50 faculties and students were participated.

Description about the Program:

1. Principal presided over the function.
2. IQAC Coordinator has participated and spoke on the topic: Introduction to the program.
In this speech, he focused on importance of communication.
3. Day 1: Resource faculty Dr. Vidyasagar had special talk on merging trend in scientific research area about the Virology and Covid-19.
4. Day 2: Dr. Vidyasagar discussed about the Corona viruses, as these viruses are important human and animal pathogens. At the end of 2019, a novel coronavirus was identified as the cause of a cluster of pneumonia cases in Wuhan, a city in the Hubei Province of

China. It rapidly spread, resulting in an epidemic throughout China, followed by a global pandemic. In February 2020, the World Health Organization (WHO) designated the disease COVID-19, which stands for coronavirus disease 2019. The virus that causes COVID-19 is designated severe acute respiratory syndrome coronavirus 2 (SARS-CoV-2); previously, it was referred to as 2019-nCoV. The WHO declared an end to the COVID-19 global health emergency in May 2023, more than three years after its emergence

The two day session mainly focused and discussed about the virology, epidemiology, and prevention of COVID-19.

Dr. Malkanna, proposed vote of thanks.

Feedback:

All the students expressed their gratitude to HOD Department of Zoology and IQAC Coordinator for organizing the lecture which was useful.

Future Perspectives: The Department of Zoology is looking forward to organize seminars/conference/workshop.

Visit to Research Labs

On 5-1-2023

Venue: "S. R. SUKHANI CO-EDUCATION HIGH SCHOOL, RAICHUR"

Title: Awareness program on "Visit to Research Labs"

Date(s): 5-1-2023

Preamble: Visit to Research Labs has been organised by the Department of Physics in collaboration with S. R. SUKHANI CO-EDUCATION HIGH SCHOOL, RAICHUR" on 5-1-2023

Participant's Profile: A total of more than 30 students were participated.

Description about the Program:

1. Principal presided over the function.
2. Students visited the laboratory which is equipped with advanced facilities. All the students were divided into three groups and sent for visit of various sub-laboratories.
3. Resource person informed Science is different than other subjects. It is not just the subject of science that is different; the entire process of doing science is different. The means by which knowledge is acquired is different in science than it is in history or mathematics or poetry or. Science is different because the answers to scientific questions

are not found in a textbook or through pondering high and lofty thoughts. Indeed, scientists ponder and hopefully think high and lofty thoughts; and indeed students in science class will find answers in a textbook. But the basis of what scientists believe and why they believe it is not the result of mere thinking or reading in a textbook. The basis of what scientists believe is the result of the careful collection and analysis of laboratory evidence. In any physics class, the differentness of science will be most evident when it comes time for lab.

Mr. Rajbabbar Rathod, proposed vote of thanks.

DEPARTMENT OF PHYSICS

Organizes

Special lecture on "Sound waves"

On 11th Jan 2023

Venue: "ABHIGNAANA ENGLISH MEDIUM HIGH SCHOOL, RAICHUR"

Title: Special lecture on "Sound waves"

Date(s): 11-1-2023

Preamble: Visit to Research Labs has been organised by the Department of Physics in collaboration with "ABHIGNAANA ENGLISH MEDIUM HIGH SCHOOL, RAICHUR" on 11-1-2023

Participant's Profile: A total of more than 30 students were participated.

Description about the Program:

1. Principal presided over the function.
2. Ms. Chaitra explained What Is Sound?

A sound is a vibration that propagates through a medium in the form of a mechanical wave. The medium in which it propagates can either be a solid, a liquid or a gas. Sound travels fastest in solids, relatively slower in liquids and slowest in gases

3. Mrs. Vimala

A sound is a form of energy, just like electricity, heat, or light. When you strike a bell, it

makes a loud ringing noise. Now instead of just listening to the bell, put your finger on the bell after you have struck it. Can you feel it shaking? This movement or shaking, i.e. the to and fro motion of the body is termed as vibration.

Principal, proposed vote of thanks.

NOTICE

All the B.Sc students are hereby informed to attend the special lecture on "Preparation for IIT JAM (Mathematics)" to be held on 26-08-2022 organised by Department of Mathematics. Mr. Husenappa Assistant Professor, L.V.D College, Raichur will be the resource person.

Therefore, all the interested students are hereby informed to attend the lecture.

HOD

DEPARTMENT OF MATHEMATICS
Organizes
A Special Lecture on
“Preparation for IIT JAM (Mathematics)”
On 26-08-2022
VENUE: Seminar hall

A talk on “Preparation for IIT JAM (Mathematics)” was organised by Department of Mathematics on 26th August 2022 at 11.00 A.M. in Seminar hall, GFGC, Raichur. The speaker of the programme was Mr. Husenappa, Assistant Professor, Department of Mathematics, L.V.D College, Raichur. The programme started with the address given by honourable Principal Dr Yankanna, of our college. Mr. Husenappa focused on some basic concepts of continuity of functions and their various properties of these functions with the help of graphs. He emphasized in his lecture that the students should give importance on solving problems using conceptual ideas rather than solving particular problems for examinations. A student interaction programme was also there in which many students took part. The programme ended with the concluding remark of HoD, Mathematics.

Students were satisfied with the lecture and wished to attend many more lectures in future.

A ONE DAY INDUSTRIAL VISIT
On

Title: A ONE DAY INDUSTRIAL VISIT

Date(s):

Preamble: A ONE DAY INDUSTRIAL VISIT has been organised industrial visit on

Participant's Profile: A total of more than 20 students were participated.

Description about the Program:

An introductory session was conducted by Ms. Renuka (HR) and her team to educate the safety measures to be taken during our visit in the plant.

Madam informed about water treatment, which is whereby the used water or raw water from the river is treated in process to make the water more acceptable for a desired end-used. The goal of water treatment is to remove existing contaminants in the water, or reduce the concentration of such contaminants so the water becomes fit for its desired end-used. The process involved in treating water is solids separation using physical process and chemical process.

Dr. Kamala Navaratna, proposed vote of thanks.

DEPARTMENT OF ZOOLOGY
Organizes
A ONE DAY INDUSTRIAL VISIT
On 16-01-2023

Title: A ONE DAY INDUSTRIAL VISIT

Date(s): 16-01-2023

Preamble: A ONE DAY INDUSTRIAL VISIT has been organised industrial visit on 16-01-2023.

Participant's Profile: A total of more than 20 students were participated.

Description about the Program:

An introductory session was conducted by Ms. Renuka (HR) and her team to educate the safety measures to be taken during our visit in the plant.

Madam informed about water treatment, which is whereby the used water or raw water from the river is treated in process to make the water more acceptable for a desired end-used. The goal of water treatment is to remove existing contaminants in the water, or reduce the concentration of such contaminants so the water becomes fit for its desired end-used. The process involved in treating water is solids separation using physical process and chemical process.

Mrs Akshatha, proposed vote of thanks.

Feedback:

All the students expressed their gratitude to HOD Department of Zoology and IQAC Coordinator for organizing the trip.

Future Perspectives: The Department of Zoology is looking forward to organize seminars/conference/workshop.

Title: A Special lecture on "Spoken English"

Date(s): 09-03-2022

Preamble A Special lecture "Spoken English" has been conducted on 09-03-2022 at Taranth Shikshana Samste, Laxmi Venkatesh Desai College, Raichur.

Participant's Profile: A total of more than 25 students were participated.

Description about the Program:

1. Principal presided over the function.

2. IQAC Coordinator has participated and spoke on the topic: Introduction to the program.

In this speech, he focused on Good English, which is not only classy but a possibility to continue studies and specializations in the best universities in the world.

3. Mrs. Veena

Education is very important to improve yourself but learning English also improves the quality of life. The benefits they bring in the life of a person's knowledge of the English language are countless. What is important to understand is that the English language is able to knock down a lot of barriers, including cultural ones.

Dr. Ekeshwari Rathod, proposed vote of thanks.

DEPARTMENT OF ZOOLOGY

Organizes

Field Trip (Vermicomposting and Dairy Unit)

On 06-01-2023

Title: A field trip (Vermicomposting and Dairy Unit)

Date(s): 06-01-2023

Preamble: A field trip (Vermicomposting and Dairy Unit) has been organised on 06-01-2023.

Taranth Shikshana Samste, Laxmi Venkatesh Desai College, Raichur.

Participant's Profile: A total of more than 50 students were participated.

Description about the Program:

1. Mr. Kamble explained and about the scope and opportunity of Vermicompost production for the rural youth. The participants were trained on concept of Vermicompost production, Importance and scope of organic farming.
2. Animal husbandry and agriculture are Supplementary Factor of each other because we get dug to animal and after that we make manure by dug, which important for our crops and filed gives us forage which is important for our animal. Animal husbandry and agriculture both are synergistically involved and are the important source of income and employment in rural areas.

Mr. Hanmantray, proposed vote of thanks.

Feedback:

All the students expressed their gratitude to HOD Department of Zoology and IQAC Coordinator for organizing the lecture which was useful.

Future Perspectives: The Department of Zoology is looking forward to organize seminars/conference/workshop.

DEPARTMENT OF ZOOLOGY

Organizes

Three day workshop on "Bio-fertilizer Production Technology"
On 12-12-2022

Title: Three day workshop on "Bio-fertilizer Production Technology"

Date(s): 12-12-2022

Preamble: A field trip (Department of Entomology) has been organised on 06-9-2022 by UAS, Raichur in Collaboration with Taranth Shikshana Samste, Laxmi Venkatesh Desai College, Raichur.

Participant's Profile: A total of more than 70 students were participated.

Description about the Program:

DAY 1:

Student were made aware of the bio-fertilizers, Bio-fertilizers are ready-to-use carrier based formulations of beneficial microorganisms which are applied to seed, root or soil. They mobilize the essential nutrients by their biological activity and help to build up the micro-flora which in turn improves the soil health.

DAY 2:

- Mass multiplication of PGPR and AMF;
- Formulation of the bioinoculants;
- Curing and packaging; and,
- Determination of the shelf-life, recommended dose of application and method of application.

DAY 3:

Throughout the training, MSSRF emphasised on laboratory handling of chemicals and equipment (Microscope, Laminar flow, centrifuge and autoclave). The mode of training was through lectures, practical and demonstration sessions.

Dr. Manjunath. K, proposed vote of thanks.

Feedback:

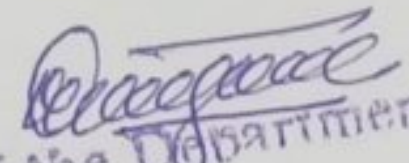

All the students expressed their gratitude to HOD Department of Zoology and IQAC Coordinator for organizing the lecture which was useful.

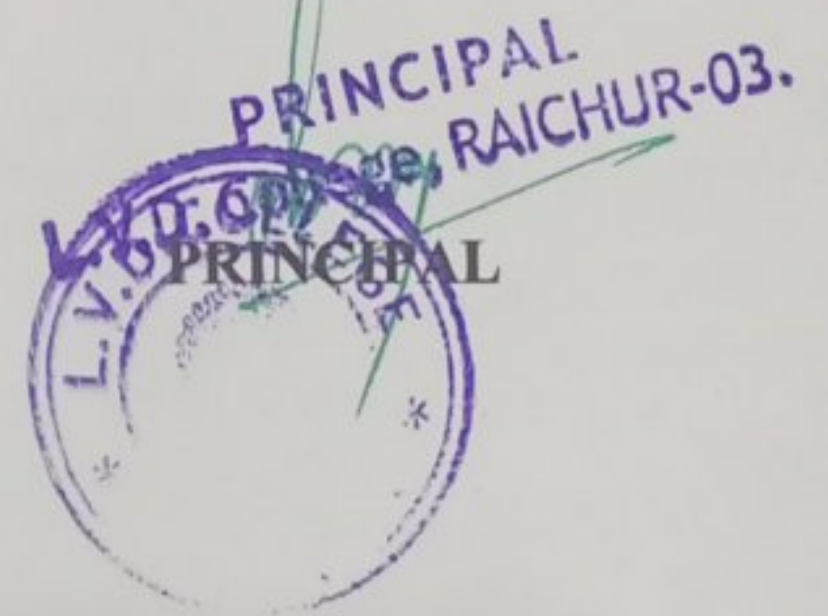

Future Perspectives: The Department of Zoology is looking forward to organize seminars/conference/workshop.

HOD

DEPARTMENT OF SOCIOLOGY

Organizes

A Special Lecture on

“Sociology of Rural Life in India”

On 22-08-2022

VENUE: Seminar hall

A talk on “Sociology of Rural Life in India” was organised Department of Sociology on 22nd August 2022 at 11.00 A.M. in Seminar hall, Prarthana Arts, Commerce & Science College, Yadgir.

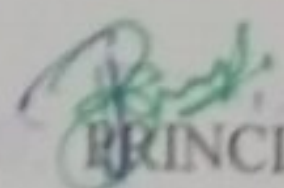

Speaker started the session on Introduction and about S. C. Dube's and his contribution to Village Study.

Shyama Charan Dube took forward the tradition of field study and structural functional perspective introduced by M.N. Srinivas in studies of village. He provided descriptive exploratory account of village studies.

He divided Indian villages into

- Single settlement villages
- Nucleated villages
- Dispersed villages

Despite the criticism s. C. Dube provided extensive work on village and he expanded the scope of village studies from the study of ritual and tradition to economic, political and planning and development view point. C. Dube's work highlighted the complex web of social, economic, and cultural factors that contribute to status differentiation in Indian villages, and these factors continue to be relevant for understanding rural dynamics in India. Students were satisfied with the lecture and wished to attend many more lectures in future.
