XVII AZRA International Conference on

"Frontier Research in Applied Zoology and Insect Pest Management Strategies : A way Forward for Food and Nutritional Security"

12th - 14th February, 2020 at UAS, Raichur

INTRODUCTION

Food security is a multi-dimensional concept which includes the quality of food grain production to meet the demand by the growing population. The green revolution initiated in the late 1960s was a historic milestone that transformed the food grain production in India. In present situation the food grain production in India is at self sufficiency stage and the only concern is to mitigate the malnutrition which can be achieved by adopting the good agricultural practices. To achieve the goal on food and nutritional security both biotic and abiotic components poses major hurdles and among biotic factors insect pests, diseases, weeds and non insects are important. Apart from that the occurrence of invasive pests is alarming in recent years leading to a new challenge in the pest management. Keeping above challenges the present conference aims at reviewing the advances in Applied Zoological Researches in India and abroad, with special reference to insect pest management, its present status and future needs viz., new chemistries, pest management through behavioural modifications, biological control, pest scenario and their management in climate change, biotechnology based pest management, use of ICT in insect pests management, veterinary and medical entomology including productive insects viz., silkworm, honey bee and lac culture.

About the Conferen

The International conference on "**Frontier Research in Applied Zoology and Insect Pest Management Strategies: A way Forward for Food and Nutritional Security**" aims at bringing together the plant protection specialists including the applied Zoologists across the globe to exchange their views, experiences and vision towards the development of plant protection in Agriculture, Horticulture and related disciplines for the future. It provides an interdisciplinary forum for researchers, students, entrepreneurs and stakeholders to discuss about the recent developments in the field of plant protection. The conference will have concurrent sessions, lead lectures, plenary sessions and working group meetings.

Themes

The conference aims to provide a platform to enlighten on the following themes.

I. Biosystematics and Phylogeny

- Diversity, Barcoding, Phylogeny and Diagnostics

II. Biotechnology in crop pest management

- Genomics, Biotechnological approaches
- Genetic control of Insect pests
- Emerging/Secondary insects pests outbreak on Transgenics
- Resistance development to Transgenics and its management

III. Agricultural/Horticultural/Forest Entomology and Acarology

- Pests of major crops, stored grain products and their management
- Insect vectors of plant diseases
- Biological control
- Host Plant Resistance
- Nanotechnology
- Invasive insect pests
- Integrated Pest Management

IV. Productive Entomology

- Sericulture
- Apiculture
- Lac culture

V. Veterinary and Medical Entomology

- Household pests and their management
- Veterinary pests and their management

VI. Ecological Entomology

- Population Structure and Life table studies
- Tri-trophic interactions
- Behavioural and Chemical Ecology
- Climate Change and Global Warming Effects

VII. Toxicology

- Bio-pesticides / Bio-rationals
- Pesticide Chemistry
- Novel molecules
- Resistance management
- Green chemistries
- Bioefficacy / Phytotoxicity
- Pesticide residue: Problems and Management
- Crop grouping for label claim expansion

VIII. Insect Physiology

- Neurobiology
- Endocrinology
- Reproductive physiology
- Immunology

IX. Bioresource Management for Safer Environment

- Vermiculture / Oriculture
- Aquaculture
- Ornithology
- Waste management through insects
- Non insect pests

X. ICT in Crop health management

- Real time pest management
- Pest monitoring and Forecasting

Call for papers

Invited / Lead lectures

The organizing Committee will invite eminent experts/scientists for delivering invited lectures. The invited lectures will be of 25 minutes followed by discussion for 5 minutes . **Oral Presentation :**

Original research contributions related to any of the theme areas listed above are invited for presentations in the conference. Abstracts of the papers, not exceeding 300 words (typed in MS word format in single space font size 12 Times New Roman) should include title, author (s), name and affiliation with e-mail and phone numbers, a brief introduction, methodology, results and discussion. Tables or figures and references should not be included.

Abstracts have to be submitted through email: azra2020@uasraichur.edu.in . All the submitted conference papers will be screened by an expert committee and published in the form of proceedings. Conference abstract book and certificate of presentation will be distributed to the registered participants. For more details please visit the www.uasraichur.edu.in.

Poster presentation :

The poster (4' long X 3' wide) with 2" margin from all the sides should include a short title, author (s) name and address, a short introduction, brief material and methods, results and discussion containing tables and graph with 2-3 references. The content should be typed in MS word with Times New Roman font of 12 size and single space.

Awards:

Best oral and poster presentation awards will be given in each of the themes. In addition there are different categories of awards instituted by AZRA, Bhubaneshwar and the details of which is enclosed in a separate sheet.

Official letter of invitation :

An official letter of invitation will be made available upon request. However, the invitation letter does not promise any financial support.

VISA

International delegates must have valid passport and visa. They are requested to apply for the valid visa well in advance as per the Government of India rules. More information regarding rules and procedures can be obtained from the azra2020@uasraichur.edu.in or from organizing secretary

Important Dates

- Last date for receiving abstracts : **30th October, 2019**
- Last date for issuing acceptance letter : **30th November, 2019**
- Last date for sending filled in registration form along with fee : **30th December, 2019**

About University of Agricultural Sciences (UAS), Raichur

University of Agricultural Sciences at Raichur was established in November 2008 with the jurisdiction of six districts of North Eastern dry zone of Karnataka state viz., Bidar, Kalaburagi, Yadgir, Raichur, Ballari and Koppal with a motto of greening the life of farming community through education, research and extension. In this context, UAS, Raichur, has been working towards providing agricultural education to sensitize the farming community with scientific innovations to uplift the socio-economic status of the farming community through strong extension linkages. The University offers under graduate and post graduate programmes in Agriculture at Raichur, Bheemaranagudi and Kalaburagi and Agricultural Engineering degree programme at Raichur campus.

The University has developed many improved crop varieties/hybrids viz; heat resilient maize hybrids (RCHH 1 & 2), disease tolerant high yielding variety of sunflower hybrid (RSFH-130 & RSFV-901), high yielding pigeon pea (TS-3R & GRG-811), salinity tolerant Paddy variety (Gangavathi Sona), high yielding Cotton (SCS-793, BGDS-1063, SCS-1061 & RAHH455), multiple resistant Chilli varieties (UARCHH42 and UARCHH43). University is pioneer in ICT in Agriculture (eSAP), NABL accredited pesticide residue and food quality analysis laboratory, climate change, biological control, nanotechnology, processing and food engineering and farm machinery. The University has been awarded ISO 9001 certification, best KVK National award to Raichur and Bidar. University has made revolution in popularizing the Direct Seeded Rice Technology (DSR) in the TBP and UKP command areas as well as transplanting of pigeon pea in the Bidar and Kalburagi districts. The University has entered into MOU with many national and international organizations for research and development in the field of Agriculture.

Sightseeing and Post-Conference Excursion :

The sightseeing will be made to the interested participants (on payment basis) to Hampi. Hampi is a UNESCO World Heritage site located in the Northern part of Karnataka. It lies within the ruins of the ancient, prosperous kingdom of Vijayanagar. The ruins at Hampi are a collection of heritage sites depicting the fine Dravidian style of art and Architecture. The most important heritage monument in this site is the Virupaksha Temple, which continues to be a very important religious centre for the Hindus. There are several other monuments which are a part of this heritage site, together, they're collectively known as the 'Group of Monuments at Hampi'. Some of the other known ones include the Krishna temple complex, Narasimha, Ganesa, Hemakuta group of temples, Achyutaraya temple complex, Vitthala temple complex, Pattabhirama temple complex, Lotus Mahal complex, several puras or bazaars surrounding the temple complex, and also living quarters and residential

areas.

Announcement of AZRA Awards 2019 & 2020

Ref: AZRA-AW-2019-20

Dated: 1 June,2019

AZRA invites nominations for the following different categories of the AZRA Awards- 2019 & 2020 to be conferred during XVII AZRA International Conference at UAS, Raichur, Karnataka during 12-14th February, 2020

1. Young Scientist Award

Since 1991, this award is given every year to one young scientist (age below 45 years) for his/her outstanding research contributions in the fields of applied zoology.

2. Dr. (Mrs.) Jagadiswari Rao Woman Scientist Award

This award is instituted by AZRA in the honour of Dr. (Mrs.) Jagadiswari Rao, Vice President, and Founder Member of AZRA and Ex-Principal Scientist, Division of Crop Protection, NRRI, Cuttack and given every year to one woman scientist since 1995 for her outstanding research contributions in the fields of applied zoology.

3. Dr. Anand Prakash Award

This award is instituted by AZRA in the honour of Dr. Anand Prakash, General Secretary and Founder Member of AZRA and Former Head, Division of Crop Protection & Director, NRRI, Cuttack, and given every year to one scientist above 45 yrs (only to life/ founder member) since 1997 for her/his outstanding research contributions in applied zoology.

4. Edita David Memorial Award

This award is instituted and financed by Dr. B. V. David, President of AZRA in the loving memory of his late wife Edita David since 1997. This is a biennial award indented for original research contributions by an individual or not more than two research workers having no age and sex bar.

5. Prof. P. Kameswara Rao Award

This biennial award is instituted by AZRA in the honour of Late Prof. P. Kameswara Rao, Ex- Vice President, AZRA & Ex-Professor of Entomology, S.V. Agric. College, Tirupati. This award is given since 1991 to the scientists below 45 yrs age for their best oral paper presentation during AZRA Conferences; this time at UAS, Raichur-XVII AZRA International Conference-2020. Oral presentation will be judged by a panel of jury.

6. AZRA Fellowship Award

AZRA has constituted Fellowship Award from the year 1999 & onward. On completion of 3 years continuous membership of the Association (on/before 10 August, 2019) and the members having substantial research contributions in any of the fields of applied zoology is considered for this award by the duly constituted Award Committee. Members already received this fellowship need not apply.

7. AZRA Honourary Fellowship Award

Since 2000, AZRA has initiated Honourary Fellowship Award to the applied zoologists having extra-ordinary contributions in their respective fields of research. This award is nominated by AZRA Executive Council.

8. Dr. B. Vasantharaj David Award

AZRA has instituted this award in the honour of Dr. B. Vasantharaj David, President of AZRA since 2006. This yearly award is indented for original research contributions in plant protection by an individual, having no age and sex bar.

9. Prof. S. K. Srivatsava Award

AZRA has instituted this award in the honour of Dr. S.K. Srivatsava, Ex-Professor of Entomology, IGKV, Raipur and one of the Founder Members of the Association. The award is initiated from 2019 for best poster presentation during AZRA Conferences and will be considered & conferred during XVII AZRA International

10. Prof. Damodar Satapathy Award

AZRA has instituted this award in the honour of Prof. Damodar Satapathy, Director, College of Fisheries (OUAT), Rangailunda, Berhampur, Odisha and one of the Founder Members of the Association. The award is initiated from 2019 for best research paper published in Journal of Applied Zoological Researches (every two years- 4 issues) and will be conferred during XVII AZRA International Conference-2020, at UAS, Raichur, Karnataka.

11. Dr. S. S. Misra Life-time Achievement Award

AZRA has instituted this award in the honour of Dr. S. S. Misra, Former Principal Scientist and Head, Division of Entomology & Nematology, ICAR-CPRI, Shimla and most sincere & active Life Member of the Association. This award is initiated from 2019 for life time achievement in the field of applied zoology and will be conferred during XVII AZRA International Conference-2020, at UAS, Raichur, Karnataka

How to file nominations for AZRA Awards ?

1. AZRA has constituted Fellowship Award from the year 1999 & onward. On completion of 3 years continuous membership of the Association (on/before 10 August, 2019) and the members having substantial research contributions in any of the fields of applied zoology is considered for this award by the duly constituted Award Committee. Members already received this fellowship need not apply.
2. For Edita David Memorial Award, a research paper based on original and unpublished research work having not more than 10 printed pages (email-soft copy) and also a brief bio-data of the nominee along with 2 coloured passport size photo, and age proof may be sent to General Secretary, AZRA.
3. For Prof. P. Kameswara Rao Award, researcher has to specify on the right top of the paper proposed to submit for the XVII AZRA International Conference at UAS, Raichur, on 12-14th February, 2020, that this paper is for oral presentation to compete for this award. Papers submitted for this award will be scrutinized by a panel of experts and will be declared and awarded on last day of the Conference.
4. For Prof. S. K. Shrivastava Award, researcher has to specify on the right top of the paper proposed to submit for the XVII AZRA International Conference at UAS, Raichur, on 12-14th February, 2020, that this paper is for poster presentation to compete for this award. Papers submitted for this award will be scrutinized by a panel of experts and will be declared and awarded on last day of the Conference.
5. For Prof. Damodar Satapathy Award, one best research paper published in J. Appl. Zool. Res. (2018 & 2019) will be judged by the jury and conferred during XVII AZRA Intern, Conference at UAS, Raichur.
6. For AZRA Fellowship Award, only qualified members should file their nominations and the list of the qualified AZRA members is circulated by General Secretary AZRA. Member, who fulfils this criteria, has to submit his/her bio-data along with brief research contributions (only 1 page), two passport size photographs and a DD for Rs. 1000/-.
7. For AZRA Honourary Fellowship Award nominations are proposed by AZRA-Executive Council.

AZRA Award in the form of a memento and Citation Certificate will be conferred during AZRA Award Ceremony in XVII AZRA International Conference at UAS, Raichur, Karnataka, during 12-14th February, 2020. Please contact Prof. A. G. Sreenivas, Organizing Secretary of this Conference (Mail ID: azra2020@uasraichur.edu.in, Mobile: 91-9481467772 for participation in the Conference & other logistics.

Remittances for AZRA Fellowship Awards may be made online in the account of Applied Zoologists Research Association (10329386022) at State Bank of India, Naya Bazar, Cuttack (Branch code: 002094; IFSC: SBIN0002094; MICR code: 753002016; Swift code: SBININBB768- SBI Cuttack-Main Branch).
