### **REPORT**

As the part of NSS activities we conducted Special Camp in adapted village Sidrapur for seven days from 9-10-2023 to 15-10-2023. Under the theme of "Youth for Science and Scientific spirit" camp was inaugurated by Dr. Srinivas Raichurkar . In his inaugural address he suggested NSS volunteers to mingle with rural people and to know their life style and he assured to support our camp.

Students performed yoga every day morning in the camp and discussed importance of YOGA with villagers. Throughout the camp all the NSS volunteers carried out many tasks, such as cleaning of school, Village Lake, temples and their surroundings.

Our NSS volunteers worked hard for all the seven days and successfully completed the work assigned to them.

Through the camp we effectively carried out programmes. As follows

1. Awareness of anti-corruption.
1. Awareness about swachh Bharath.
2. Rally on NO TO PLASTIC.
3. Awareness of biodiversity and Plantation.
4. Awareness Nutritive value of food.
5. Awareness about health hygiene.

6. Awareness about cleanliness.

7. Awareness programme on adult literacy. The NSS officers, volunteers, Students, staff and villagers supported to make the camp successful.

**REPORT**

As the part of NSS activities in association Gram panchayat and local community organises “ANEMIA MUKT BHARAT” on 03-7-2022.

Resource person gave introduction about the anemia and informed about the initiation taken by Government of India to aware the effect of anemia.

Anaemia affects roughly a third of the world's population; half the cases are due to iron deficiency. It is a major and global public health problem that affects maternal and child mortality, physical performance, and referral to health-care professionals. Further Resource person highlighted about the Government initiation.

The Ministry of Health and Family Welfare (MoH&FW) has launched Anemia Mukh Bharat Programme with special focus on the health and nutrition needs of children, adolescents, women of reproductive age group and pregnant mothers and lactating mothers. This will be achieved through six interventions, implementation of which will be facilitated by six robust institutional mechanisms. To facilitate seamless implementation of the interventions, a training tool kit has been developed which will be used to orient and train different stakeholders at various levels for effective implementation of Anemia Mukh Bharat (AMB) strategy.

### REPORT

As the part of NSS Social extension activities in association with Social Forestry and Local community has organised a program on “Seed ball preparation and seeding in Maliyabad forest” on 06-08-2019.

In Maliyabad forest many varieties of species such as neem, mango, tamarind etc. seed ball were prepared.

The importance of Seed ball was informed to students that it helps in increasing green space.

Seed balls have an 80 percent growth success rate in comparison to regular seedlings, which helps people farming in rural areas have a more consistent supply of food.

### REPORT

As the part of Social extension activities in association with Social Forestry and Local Community a program on “World Ozone Day” was held on 16-09-2019.

The ozone layer of the Earth protects us from the harmful ultraviolet rays of the sun. Unfortunately, our race for maintaining a high quality of life has led to its depletion. On 1st January 1989 the Montreal Protocol came into force to stop the depletion and reduce the usage of substances that cause holes in our protective blanket. Sustaining the Ozone layer is hence the collective responsibility of the entire nation.
