

Ideology and Theory in Indian Sociology discusses issues related to varying perspectives, differentiated focuses and highlight the strength, canvas and limitations, explicitly or implicitly, and brings out relevant cognitive gaps in the discipline. The book highlights how Indian sociology, despite its deeper linkages with the theoretical and methodological traditions of the west, has in the ideological and normative domains evolved successfully its own discourse. The book also illustrates the nature of the inner epistemological tensions which continue to dominate the debates on how to ground the Indian sociology and its paradigms into the Indian philosophical traditions. This is a comprehensive sociological study of the processes and problems of modernization in contemporary India. It refers to the vast range of changes that are taking place today in the forms and functions of the Indian 'social structure' and 'traditions'.

Dr. Gayatri.Y, born in the town Maski in Raichur, passed her M.A., M.Phil and Ph.D. She was awarded for the best thesis. She did her Post Doctoral Fellowship in 2019 from Gulbarga University and currently serving as Assistant Professor in Sociology, Laxmi Venkatesh Desai College, Raichur.
