Report of Add on course

Title of the Add on course : Nanomaterials

Duration : 30 Hours

Started on : 04-01-2019

Completed on : 07-02-2019

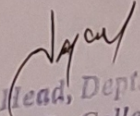

Name of the faculty : Dr. Narayan Achar

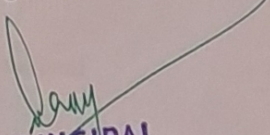

Total No. of students admitted : 45

Total No. of classes taken : 30 Classes.

Total No. of students benefited : 45

Learning outcomes : Students will be aware of the Nanomaterials, materials preparation and their uses in daily life. The future of material science mainly depend on Nanoscience only, Hence, it is most useful to the students in future. The Department of Chemistry has started the Add on course on Nanomaterials aiming at outcome based on education this course emerged as a progressive approach emphasizing students mastery of subject matter with its focus on student learning outcomes during the course students and parents responded very well this course aims to ensure that students gain the necessary skills and knowledge to be successful in their chosen path. As the course is more comprehensive and continuous assessment approach, focusing on demonstrating mastery of skills rather than rote memorization and traditional assessment. Hence, the students and parents responded very actively during and after the course.
