12	Smt. Rajashri G. Patil	Parent Representative
13	Dr. Jayateertha N.S	Staff Representative
14	Dr. Vijayalaxmi C	Staff Representative
15	Dr. Anjaneya	Vice-Principal
16	Sri. Sharanagouda B.H	Principal & Ex-Officio Joint Secretary

VISION

Our vision, drawing inspiration from the philosophy of our founder Late Pandit Taranath is to transform the College into a truly great educational institution that can play a pivotal role in effecting changes in tune with the fast changing educational scenario.

MISSION

Our mission is to ensure and enhance the quality of education in this educationally backward area that even reveals the educational standards in other parts. To empower the rural men and women and to contribute in the nation building process.

PROFILE

Welcome to the Laxmi Venkatesh Desai College Campus –“The Temple of Learning”. The campus houses L.V.D. Degree College and S.R.P.S. P. U. College, the most Prestigious College of Raichur run by the Taranath Shikshana Samsthe. Before you know more about the College on the campus, it is desirable that you should know about Raichur, the Samsthe and its founder Late Pandit Taranath.

Raichur, known as Do-ab, is situated between the two sacred rivers the Tungabhadra and the Krishna. It occupies an important place in the annals of Indian history, having been a part of the great Vijayanagara Empire of Krishnadevaraya and later a part of the Nizam State. Raichur is well connected by Air, Rail and Road. The predominant occupation of the people is agriculture; thanks to the Tungabhadra Left Bank and the Narayanpur Right Bank Canals and the Rajalabanda Reservoir for providing water to irrigation. Raichur district known as the Rice bowl of Karnataka and also known for other predominant crops like cotton, jawar, groundnut, sunflower and chilly. However, Raichur lags behind in education and it is in this context the role of Taranath Shikshana Samsthe will always be remembered. Dasa Sahitya and Sharana Sahitya are known to be originated here, enriching Kannada literature immensely. The uniqueness of the city is that the people brought up here can speak Kannada, Telugu, Hindi and Urdu. The various religious and linguistic groups live in amity and harmony, a classic example of ‘unity in diversity’.

The industrial scenario of this historic city shot into fame and prominence with the establishment of a mega Thermal Power Plant a light-line for the people of Karnataka, Power Grid of India. With the inclusion of Raichur as an Industrial Growth Centre, many industrial units in diverse fields such as Iron and Steel, Pharmaceutical, Oil extraction and Cotton ginning were established, thus placing Raichur on the Industrial map of Karnataka.

PANDIT TARANATH:

A visionary, an achiever, an ardent social reformer, a great humanitarian, late Pandit Taranath revolted against the repressive measures of the Nizam rule and quit the teaching position in protest and with the support of some like-minded friends founded Hamdard Primary School in Raichur in 1920. This School blossomed into a high School, and is now a Composite Junior College. To give shape to his vision in the field of education, a group of philanthropists of this area established the Raichur Education Society.

TARANATH SHIKSHANA SAMSTHE:

“Raichur Education Society” was later rechristened as “Taranath Shikshana Samsthe” as a mark of respect to the founder late Pandit Taranath. Sri. Bhawarlal Somani was the First President and Sri.G.K.Rajpurohit was the Secretary. Sri. Soma Raman Gouda was the President during 1965-87. Late. Sri.M.Nagappa, took over as the Secretary in 1971. During this period, B.R.B. College of Commerce, S.S.R.G. Women’s College & S.C.A.B. Law College were established. The present President Sri. Parasmal Sukhani took over charge in the year 1987 and since then several new job oriented courses, like B.B.M., B.C.A., P.G. Diploma in Fashion Design Technology and new subjects like Computer Science, Microbiology, Bio-Technology and Artificial Intelligence have been introduced. The post graduate courses in Physics, Chemistry and Microbiology have been established. The samsthe has a special focus on quality education.

The present Management under the stewardship of President Sri. Parasmal Sukhani, General Secretary Sri. Ambapathi Patil, Advocate, comprising eminent persons drawn from different walks of life, is known for its commitment, dedication and transparency. Selfless and self-effacing members, present and past, have put their heart and soul to ensure that quality education is imparted to the people of this educationally backward area, the poor and needy in particular at an affordable fees.

The General council has 31 members and each Institution is administered by a Managing Committee.

LAXMI VENKATESH DESAI COLLEGE: A Pioneer Institution

In the beginning of the third quarter of 20th century-on the 18th August 1954 to be precise, the infant Laxmi Venkatesh Desai College was beginning to make a name for itself with just 9 students on its rolls in a thatched structure in Raichur. Soon the College moved to the present location. The College, named after the munificent donors Late Smt. Laxmi Bai Venkob Rao Desai and Late Sri Venkob Rao Desai, is today on a sprawling campus

measuring about 17.5 acres with over 1,00,000 sq.ft. Built up area. This was made possible because of the munificent donations from the late Venkob Rao Desai and the late Laxmi Bai Venkob Rao Desai. These two great souls hailed from a remote far-flung village Maladakal in Devadurg Taluk, indisputably the most backward in the educationally backward Raichur district. But for their munificent donation, higher education for the people of this area would have remained a distant dream.

The College has greatly contributed in educating three generations thereby changing social, economic and cultural scenario in this notified socio-economically backward region of the state.

The former and present Principals and staff, with the unstinted support of the Management, have taken pains to bring the standard of the College, which is entering into its 70th year of existence and celebrating “Platinum Jubilee”.

The college is undergone for four successful cycle with National Assessing Board i.e National Assessment and Accreditation Council and the College is Re-Accredited by NAAC with ‘A’ Grade (CGPA 3.21 in the 4th Cycle) by the National Assessment and Accreditation Council during its visit in the July 2024. This ‘A’ grade, which is awarded to very few institutions in the state, speaks volumes of the quality of the institution.

INFRASTRUCTURE:

The college is housed in a spacious land measuring 17.5 acres, which has proximity to several housing colonies but away from the din and bustle of the city, an ideal locale conducive to teaching - learning activities. All the science departments in the college have

well equipped laboratories with departmental libraries, computer with internet and Wi-Fi facility. The class rooms are well ventilated and sufficiently furnished. A separate ladies room, 60kVA generator and clean R.O. drinking water are the noteworthy amenities in the college. Banking and Canteen facilities, separate parking facilities for boys and girls and the staff have made the college most sought after. The college is under surveillance of CCTV system.

WOMEN'S HOSTEL:

The College provides Hostel facility to out station girl students on the campus. Thanks to UGC for its grants supplemented with the generous financial support of the Samsthe. The hostel can accommodate 120 students. The rooms are well furnished. The inmates of the hostel are provided with R.O. drinking water facility and hygienic food at affordable cost and uninterrupted power supply.

ACADEMIC EXCELLENCE:

The College is known for its academic excellence. Ever since inception, it has been effectively imparting need-based quality education at affordable fees to the people of this

area. The percentage of results at the University level speaks volumes for the quality of education being imparted. That a large number of the alumni of the institution occupy positions of authority in the Administrative and corporate sector through the length and breadth of the country and abroad proves to show the sustained efforts being made to make education qualitative and effective. Many of our alumni are entrepreneurs and political leaders occupying cabinet position in various governments at state and national level.

Need-based intensive coaching and remedial courses to the SC/ST and economically weaker sections are being conducted. Each Department takes care to conduct seminars, workshops, internal assessment, unit test, class tests, internship and preparatory examinations help to assess the strength and weakness of the students. The staff members make use of Audio-visual gadgets to make their teaching more effective. Coaching for various competitive examination like JAM, KCET, GAT-B and public service examinations like KAS, UPSC etc are conducted. Many of our students Miss. Triveni, Miss. Mahalaxmi and Mr. Channabasava have been cleared IIT-JAM Examination.

Excellent results and number of Ranks that our students get every year, stand as a testimony for the academic excellence.

LIBRARY:

There is an independent vast building for the library with more than 50,000 good numbers of books, journals, periodicals and magazines. It has infibnet N-LIST facilities for the staff and students. There is a separate E-Library facility, automated OPAC and information of the books in the library are at the finger tips.

LABORATORIES:

The College boasts of excellent and well equipped laboratories in all the science departments that are upgraded periodically. The Computer Science and Artificial

Intelligence (AI) departments have three fully air-conditioned laboratories. Liberal grants from the University Grants Commission have helped to upgrade the laboratories and library. The Botanical Garden, with some of its rare plants, lends Colour and Charm to the Institution. The college has a well equipped language and mathematics laboratories and ICT facilities.

The PG Department in Physics, Chemistry and Microbiology has high precision instruments in the laboratory with Research level facilities developed with grants from VGST; Government of Karnataka and the College funds. The PG Laboratories have well equipped with modern instruments.

SPORTS FACILITIES:

With a large playground the college boasts of facilities for Foot Ball, Volley Ball, Hockey, Kho-Kho, Kabaddi, Basket Ball and Cricket. For Athletics, a separate 400 meters Track and facilities for other field events are also available.

The facility for indoor games like Shuttle Badminton, Table Tennis, Chess, Carrom etc., are available in the Auditorium. The multi stage Gym in the college helps the students to be fit and healthy. All these have helped the students to earn a name in the field of Games and Sports at the District, University and also at the State and National Levels.

CULTURAL ACTIVITIES:

Special guidance from the cultural committee is made available to the students to get trained and to take part in cultural activities at the University Level, State Level and National Level which help them to exhibit their hidden talent.

EXTENSION ACTIVITIES:

NCC:

The College has the oldest and first in the district NCC Unit which is established in the year 1958. 1/35 (A & C) part COY under KN Battalion, Raichur. The unit provides an opportunity to develop leadership qualities, Character, Courage, Camaraderie, Discipline, Secular outlook, Patriotism, Spirit of adventure and Selfless service among the youth. Consequent to the benefit of reservation of seats i.e ATC, CATC, IDSSC, IGC, Mountaineering Adventure

camp and RDC camp in Army, Para Military, Agniveer team scheme and State Police for NCC students and higher studies it is gaining more importance. The NCC unit has been very active with participation in many activities at various levels.

NSS:

The college has established National Service Scheme (Boys & Girls) Unit in the Academic year 1973-74 with the intention of national integrity and sense of individual and social responsibility. So that the students emerge as a responsible citizens.

Dr. M Nagappa Rover Unit :

The unit was established in the year 2013-14. The unit is rendering the social service effectively. The Rovers senior students wing have boys team as the volunteer members. The purpose of the Rovers movement is to contribute to the development of young individuals achieving their full physical, intellectual, emotional, social and spiritual values. Rovers movement is based up on three broad principles which represent its

fundamental laws and beliefs. They are known as "Duty to God", "Duty to Others" and "Duty to Self".

Sarojini Naidu Ranger Unit :

The unit was established in the year 2013-14. The unit is rendering the social service effectively. The Rangers senior students wing have girls team as the volunteer members. The purpose of the Rangers movement is to contribute to the development of young individuals achieving their full physical, intellectual, emotional, social and spiritual values. Rangers movement is based up on three broad principles which represent its fundamental laws and beliefs. They are known as "Duty to God", "Duty to Others" and "Duty to Self".

Youth Red Cross (YRC) Unit:

The unit was established during the academic year 2012-13. Youth Red Cross policy administrative directives and program guidelines were issued for strict compliance by all

colleges. YRC unit are essentially the field formations of the Red Cross society all over the world organized with the sole purpose of translating the seven coordinial principles of Red Cross v.i.z: Humanity, Impartiality, Neutrality, Independence, Voluntary Service unity and Universality in to achievable programmes. These are all universal values which can be internalized and mediated by students through activities organized by YRC Unit.

FACULTY:

The College has highly qualified and experienced teaching Faculty majority of them with SLET, NET, M.Phil and Ph.D. They have outstanding publications at the National and International levels. Most of them are members of the Boards of Studies and Boards of Examiners at Adikavi Sri Maharshi Valmiki University, Raichur and other Universities. A few of the staff members are recognized as research guides. Besides, some of their books are prescribed as text books at the U.G. Level.

OFFICE:

The College has fully computerized networking office with experienced, caring and ready to help non-teaching staff. The office is well connected with internet (Wi-Fi).

COURSES AVAILABLE:

Under-Graduate Programmes (UG).

The College is affiliated to the Adikavi Sri Maharshi Valmiki University, Raichur. It runs B.A. and B.Sc. Courses with a very wide range of 26 options as core subjects and 5 languages at the under-graduate level as per State Education Policy (SEP). In anticipation of the demand for computer educated graduates the college has started Bachelor of Computer Applications (BCA) Course in the year 2001. To explore the cultural heritage, music is an optional subject and to give an additional thrust to the talent in sports, Physical education is an optional subject, have been introduced.

In tune with the changing trend and demand from the students, new subjects like Microbiology, Biotechnology and Artificial Intelligence are introduced at UG Level. With the increasing importance of English as a global language, Optional English has been introduced from the academic year 2005-06.

Post Graduate Programmes (PG):

To provide an opportunity to study PG courses in basic science subjects the college started M.Sc. Physics Course from the academic year 2007-08, M.Sc. Chemistry Course from the academic year 2013-14 and M.Sc Microbiology Course from the academic year 2024-25.

PERSONALITY DEVELOPMENT:

To cope with the post liberalization scenario and to give wider exposure to the teacher and the thought alike, the College has been inviting persons of eminence to address the staff and students. The students are also encouraged to participate in activities like debate, quiz, science exhibitions, study tour, field visit, industrial visit and case studies etc. Orientation programme for first Semester Communication skill programme for third Semester Students and carrier guidance programme for fifth Semester students, are conducted every year. The College lays great stress on moral education and eminent personalities and conduct discourses on it.

The College has various Forums like the Language Forum, the Social Science Forum and the Science Forum and Women welfare forum that help staff and students round-off their angularities and build their personality.

HEALTHY PRACTICES:

College conducts Orientation programme, Communication Skill Programme and Career guidance programmes at different stages during their degree course. Apart from this, the students will have opportunities to expose their talents by participating in activities of Science corner, Photo corner, Cultural corner, Youth Red Cross Unit, Scouts and Guides (Rovers and Rangers), Gym - Yoga and L.V.D. Vani, etc. A modern well equipped language lab is established to develop the communication skills in the students.

PARENTS REPRESENTATION:

The College has representatives from parents in its Managing Committee whose views are solicited.

SPECIAL MONITORING COMMITTEES:

The College has Admission Committee, Discipline Committee, Anti-Ragging Cell, Student's Grievances Redressal Cell, Student's Counseling Cell, Career Guidance Cell and Student's Welfare officer for smooth functioning of the administration.

DISCIPLINE AND DRESS CODE:

As dress code is an integral part of disciplined life, the students should wear decent dress and display their identity card during their stay in the campus. Use of mobiles, Smoking and chewing tobacco in the campus are strictly prohibited. CC TV cameras are installed to monitor the every second happenings in the campus including all the classrooms and staff rooms.

CAMPUS INTERVIEW:

Periodically campus interviews are held by different Industries, Financial Institutions etc., for the final year students.

ALUMNI ASSOCIATION:

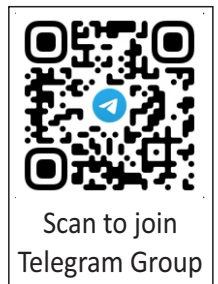

The college's Alumni Association has been in existence since 2004. There are more than 800 active life members in the association. Every year, Alumni Meets in the college premises and exchange various ideas along with the activities of the association. In addition, the association organizes several programs and seminars for the benefit of students to create social awareness and helps in overall development of the student's personality. The association donates equipments that help in the upliftment of the college infrastructure. Every year, with the help of endowment fund generated by the life members of the association, it felicitates the students who have achieved excellent performance in the University Examinations.

GENERAL RULES:

1. Admissions made by the college are provisional.
2. Certified copies of Transfer Certificate, Marks Card, Caste Certificate and Income certificate in the prescribed proforma should submit along with the application. The originals must be submitted without fail at the time of admission.
3. Students from outside Karnataka State should enclose migration certificate.
4. Fees once paid will not be refunded.
5. Students are required to fill the form with extreme care. For any discrepancy therein, the College or the Management will not be responsible.
6. Students are required to come along with their parents/guardians at the time of admission.
7. Once subjects are chosen will not be changed.

9. The students are required to attend the classes to have a minimum of 75% attendance in each subject, to be eligible to appear for the qualifying examination.
10. Attendance for Internal Tests is compulsory. Normally, as per regulations of affiliating university, the IA tests are of twenty marks for each theory paper and ten marks for each practicals.
11. In case of languages, there should be a minimum strength of ten students where the language is one of the optional subjects.
12. It is the responsibility of the students to fill in the application for Scholarship/exam etc., correctly. They alone are responsible for any errors therein.
13. Attending Orientation programme is compulsory; failure to attend the programme may lead to penal fee or even cancellation of admission.
14. The students should go through the notice board, electronic media like SMS/Telegram/Whatsapp every day for latest information.
15. It is advised that all Students download the Telegram App and join Telegram Group -"LVD NOTICE BOARD@1" to receive all announcements/notices, updates/important Dates and Official Communication from the College.

Telegram Channel Link: <https://t.me/joinchat/BppofWlvon83NTU1>

16. Students are also advised to visit the college website "www.lvdcollege.com" for information and updates.
17. Students can avail library card to borrow two books on regular basis.

IN ACCORDANCE WITH THE SEP REGULATIONS OF ADIKAVI SRI MAHARSHI VALMIKI UNIVERSITY, RAICHUR.

ADMISSION GUIDELINES:

ELIGIBILITY:

Applicant should have passed PUC-II year or any other examination from any University or Board recognized by the University as its equivalent.

COURSE OF STUDY FOR FIRST AND SECOND SEMESTER DEGREE:

PART - I LANGUAGES:

Common for Arts and Science: Student can select any two languages allowed by the University, out of which at least one shall be Indian Language subject to the provision that a candidate for the B.A/B.Sc/BCA. degree shall offer at least one of the Languages he/she has studied for the PUC Examination.

Following Languages are offered :
English, Kannada, Hindi, Urdu and Sanskrit.

PART - II OPTIONALS:

Following combinations are allowed for B.A. First and Second Semester

Sl.No.	Major Subject 1	Major Subject 2	Major Subject 3
1	Economics	Sociology	Political Science
2	History	Economics	Political Science
3	History	Education	Political Science
4	History	Sociology	Political Science
5	Sociology	Education	Political Science
6	English (O)	History	Political Science
7	Kannada (O)	History	Sociology
8	History	Economics	Education
9	Kannada (O)	History	Economics
10	History	Economics	Sociology
11	Music	Education	Political Science
12	Music	History	Political Science
13	Kannada (O)	Political Science	Education
14	Physical Education	Economics	Political Science
15	Physical Education	History	Political Science

Following combinations are allowed for B.Sc. First and Second Semester

Sl.No.	Major Subject 1	Major Subject 2	Major Subject 3
1	Chemistry	Botany	Zoology
2	Chemistry	Botany	Biotechnology
3	Chemistry	Botany	Microbiology
4	Chemistry	Zoology	Biotechnology
5	Chemistry	Zoology	Microbiology
6	Electronics	Artificial Intelligence	Computer Science
7	Electronics	Mathematics	Computer Science
8	Physics	Artificial Intelligence	Computer Science
9	Physics	Chemistry	Mathematics
10	Physics	Mathematics	Computer Science
11	Physics	Mathematics	Electronics

Any combination should have a minimum of 10 students. However allotment of combinations shall be the PREOROGATIVE of the College/Management.

COURSE OF STUDY FOR THIRD & FOURTH SEMESTER PROGRAMME:

The students have to continue with the same subjects (courses) of Part-I & Part-II offered by them in first & second semester.

COURSE OF STUDY FOR FIFTH & SIXTH SEMESTER PROGRAMME:

The students have to continue with the same optional subjects of Part-II taken by them in second and third semester (There will be no language papers at fifth and sixth semester).

NOTE: In addition to Languages and Major Subjects, there shall be Compulsory/Skill-I/Skill-II/Skill-III/Project/Internship/Research Methodology papers for B.A/B.Sc/BCA Programme at specific semester.

ELIGIBILITY FOR CARRY OVER BENEFIT:

- 1) A candidate of first semester is allowed to keep terms in second semester irrespective of the number of theory papers and practicals he/she has passed.
- 2) A candidate of second semester is allowed to keep terms in third semester provided he/she passes at least two papers each in first and second semester.
- 3) A candidate of third semester is allowed to keep terms in fourth semester irrespective of the number of theory papers and practicals he/she has passed.
- 4) A candidate of fourth semester is allowed to keep terms in the fifth semester irrespective of the number of theory papers and practicals he/she has passed.
- 5) A candidate of fifth semester is allowed to appear for the examination of fifth semester only when he/she clears all the papers of first semester.
- 6) A candidate of sixth semester is allowed to appear for the examination of sixth semester only when he/she clears off all the papers of first and second semesters.

BACHELOR OF COMPUTER APPLICATIONS (B.C.A.) PROGRAMME:

This is a SIX SEMESTERS programme spread over THREE YEARS.

POST GRADUATE PROGRAMME:

M. Sc. PHYSICS:

The College has M.Sc. Physics from the year 2007-08, which is a FOUR SEMESTERS course of TWO YEARS, as per CBCS (Choice based credit system) regulations of Adikavi Sri Maharshi Valmiki University, Raichur.

M. Sc. CHEMISTRY :

The College has M.Sc. General Chemistry programme from the academic year 2013-14, which is a FOUR SEMESTERS course of TWO YEARS, as per CBCS (Choice based credit system) regulations of Adikavi Sri Maharshi Valmiki University, Raichur.

M. Sc. MICROBIOLOGY :

The College has started M.Sc in Microbiology programme from the academic year, 2024-25, which is a FOUR SEMESTERS course of TWO YEARS, as per CBCS (Choice based credit system) regulations of Adikavi Sri Maharshi Valmiki University, Raichur.

CAREER ORIENTED ADD ON PROGRAMMES

The following Career Oriented add on programmes are available to the students:

1. Medical Lab Technology (Microbiology)
2. Spoken English course.

The students have an option to join these courses and obtain a Certificate, which will be helpful in getting jobs.

The following Central Govt. Skill Enhancement Programmes are approved by UGC, yet to be take off

1. Advanced Diploma Programme in Micro-biology
2. Diploma Programme in Zoology

DETAILS OF FEES:

The fee structure for the UG and P.G. programme is as per Govt./University/Management orders and is subject to revision by Govt./University/Management from time to time. Please contact the office for first-hand information.

SCHOLARSHIP:

The following Scholarships of Govt. of India and Karnataka are awarded to eligible students:

1. National Scholarship for minority students (NSP)
2. Government of India Scholarship for Backward, SC & ST students.
3. Special Scholarships to the children of Govt. Servants who die while in service.
4. Scholarships and other Educational facilities to the children of the political sufferers.
5. Merit Scholarship for the children of Primary and Secondary school teachers.
6. Scholarships to the children/dependents of Service personal.
7. Urdu Academy Scholarships.
8. Post Metric Scholarships.
9. Scholarships for the Physically Handicapped students.
10. Sanchi Honnamma Scholarship for Meritorious students.
11. C.V. Raman Scholarship for Meritorious students.
12. Vidyasiri Scholarship for Meritorious students.
13. Jindal Scholarship for Meritorious students.

It is noteworthy that the Samsthe has established a 'Benevolent Fund' through contributions made by philanthropists, management members, parents, alumni, members of teaching and non-teaching staff. Every year scholarships are awarded to meritorious/poor/needystudents.

Applications for the above mentioned Government scholarships should be made only in the prescribed printed forms.

PROCEDURE FOR CLAIMING FEE CONCESSION:
